Internet Address: **[www.sba.gov/wa/seattle](http://www.sba.gov/wa/seattle)**

### ***“Choosing a Business Entity” Workshop for Entrepreneurs – Free***

**SPOKANE** – Do you have questions about what is the best legal structure for your business? Could your company benefit by changing your current business entity designation? What are the tax impacts of doing so? Get your answers at a free **“Choosing a Business Entity”** workshop at the U.S. Small Business Administration’s Training Room in Spokane.

This free workshop will be held on **Tuesday, November 21st, 2006 from 1:00 p.m. – 4:00 p.m.** at the **Spokane SBA Training Room** at **801 West Riverside Avenue** on the second floor of the Spokane Regional Business Center. Register by calling **509-353-2800** or email to [Pamela.Schaff@sba.gov](mailto:Pamela.Schaff@sba.gov).

The presenter for the free Business Entity workshop is David Buob, a CPA with Leffel, Otis, and Warwick in Wilbur.

The Business Entity workshop is designed to compare the pros and cons of the different business entity types including sole proprietorships, partnerships, limited liability companies, and corporations. Understanding the restrictions, requirements and flexibilities of the different entities will enable entrepreneurs to make a more informed decision about what structure to select when they start a business or to switch from one entity to another as their business grows.

This free workshop is recommended for business owners who are considering a business entity/legal structure change and want more information. It is also valuable to prospective entrepreneurs on the verge of starting a business.

For more access to SBA resources that help small businesses, go online to [www.sba.gov](http://www.sba.gov).
